AMENDMENT B

Sir:

In response to the Examiner's Action, dated 03/13/2003, Applicants respectfully request reconsideration of the subject application and entry of this Amendment. Accordingly, please amend the application as follows:

In The Claims

Cancel claims 2, 9, and 14.

- A/**
1. (amended) In a system for electronically transmitting to an electronic mail (e-mail) server electronic data derived from optically scanning a document, a method for recovering from an interruption in electrical power causing a failure in the complete transmission of the electronic data to the e-mail server, the method comprising:
    - (a) storing the electronic data to a non-volatile storage device;
